[2008/09/18 12:16] Elsa Dickins: but I will leave an area on open life that is, er, open, which explains what it is about etc etc
[2008/09/18 12:16] Lambchop Magic: and everyone being able to build on Schome Base is that everyone or just those who join a group

[2008/09/18 12:20] Elsa Dickins: yes, sorry I had a 10 year old RL audience for a sec, was showing off
[2008/09/18 12:20] CC Exonar: yes
[2008/09/18 12:21] Eshala Tabacznyk waves
[2008/09/18 12:21] Eshala Tabacznyk: Hallllooooo
[2008/09/18 12:21] Elsa Dickins: Schomer is all for leeting everyone build what they want where they want, and thinks that is the most schomey approach
[2008/09/18 12:21] Elsa Dickins: too late Esh, she's goen to make origami cranes with mr elsa
[2008/09/18 12:21] Eshala Tabacznyk: awww

[2008/09/18 12:21] Lambchop Magic: but won't the place become a real mess real quick

[2008/09/18 12:22] Eshala Tabacznyk: thats what I was thinking Lambchop
 [2008/09/18 12:22] Elsa Dickins: yes, I suspect that is likely
 [2008/09/18 12:22] You: But you must be responsible litterers ;)
 [2008/09/18 12:22] Kerry Mubble: lol
 [2008/09/18 12:22] Kickaha Wolfenhaut is Online
 [2008/09/18 12:22] Lambchop Magic: but it won't be just us though
 [2008/09/18 12:22] Elsa Dickins: what happened in the teen grid was that
 the island reached limit very quickly and then everyone had to find a way
 to reach agreement about what stayed and what went
 [2008/09/18 12:22] You: for example - if you are in the Beagle 2 group,
 you can build upstairs but we wouldn't expect a mess
 [2008/09/18 12:22] Helen Raghilda: Well, I think that I will go and
 stretch my legs! Thank you and good night!
 [2008/09/18 12:23] Lionel Blaisdale: I like the idea, I wonder where I
 can get a cheap Windsor Castle.
 [2008/09/18 12:23] Lambchop Magic: bye Helen
 [2008/09/18 12:23] oliver Waffle: what have you got in your mouth

 [2008/09/18 12:23] Kerry Mubble: bye helen
 [2008/09/18 12:23] oliver Waffle: why - can't you get rid of it
 [2008/09/18 12:23] Eshala Tabacznyk: I like it
 [2008/09/18 12:23] Lambchop Magic: yes so even if the apartments go
 nothing stops us building a place
 [2008/09/18 12:23] CC Exonar: true
 [2008/09/18 12:24] oliver Waffle: its not very attractive
 [2008/09/18 12:24] CC Exonar: HI Kick
 [2008/09/18 12:24] Eshala Tabacznyk: Hi Kick :))
 [2008/09/18 12:24] Lambchop Magic: Hi Kick
 [2008/09/18 12:24] Kerry Mubble: hi kick
 [2008/09/18 12:24] Keefah Seetan: lo Kick
 [2008/09/18 12:24] Elsa Dickins: hello birdie
 [2008/09/18 12:24] Kickaha Wolfenhaut: Hello - sorry I'm late.
 [2008/09/18 12:24] Lambchop Magic: ty for straightening that out Elsa
 [2008/09/18 12:24] You: NP
 [2008/09/18 12:24] Scathach Rhiadra: Hi Kick
 [2008/09/18 12:25] You: OK - Cool - So the key as I see it is
 "Participation"
 [2008/09/18 12:25] You: Create and run some groups
 [2008/09/18 12:25] Elsa Dickins: one solution might be to go with
 schomer's idea about levels of group membership being earned, so actually
 you have to be a contributing member of the community in order to get
 build rights
 [2008/09/18 12:25] You: ^^^^^^^^^^^ Like She said :)
 [2008/09/18 12:25] oliver Waffle: yeh
 [2008/09/18 12:25] CC Exonar: wb aseret
 [2008/09/18 12:25] Lambchop Magic: I think that is better than just
 everyone being able to do so
 [2008/09/18 12:25] Keefah Seetan: Is it important to build?
 [2008/09/18 12:26] Aseret Quintessa: sorry
 [2008/09/18 12:26] CC Exonar: np
 [2008/09/18 12:26] Elsa Dickins: what do you mean keefah? for whom?

[2008/09/18 12:26] Keefah Seetan: well there seems to be a huge preoccupation with building

[2008/09/18 12:26] Keefah Seetan: which I don't seem to share

[2008/09/18 12:26] Elsa Dickins: yup

[2008/09/18 12:26] Keefah Seetan: and I am wondering if it is essential

[2008/09/18 12:27] You: which is why I think we need more groups other than building groups

[2008/09/18 12:27] Elsa Dickins: agreed, you may have noticed I have done very little building on either island

[2008/09/18 12:27] Elsa Dickins: :)

[2008/09/18 12:27] Kickaha Wolfenhaut: Excuse me folks - afk

[2008/09/18 12:27] Lambchop Magic: I don't think so, more being able to rez something to use and then take with you

[2008/09/18 12:27] CC Exonar: yes more groups

[2008/09/18 12:27] Lambchop Magic: I think that is what most people would prefer

[2008/09/18 12:27] Eshala Tabacznyk: I can't build anyway but I like being able to rezz things

[2008/09/18 12:28] CC Exonar: yes definitely

[2008/09/18 12:28] CC Exonar: definitely

[2008/09/18 12:28] Keefah Seetan: I am not particularly bothered about living anywhere or building anything

[2008/09/18 12:28] You: OK. So are there any other Q's from Monday?

[2008/09/18 12:28] Keefah Seetan: but I am happy to participate in debates and groups and meetings

[2008/09/18 12:28] Lionel Blaisdale: No, but some people are, it is a case of getting a reasonable balance, I think.

[2008/09/18 12:29] lizit Cleanslate is Offline

[2008/09/18 12:29] You: I think the build thing is about making sure you take others into account. Build, but make sure you don't clutter the place up I think

[2008/09/18 12:29] Keefah Seetan: okay

[2008/09/18 12:30] You: Elsa - Will there be something that summarises the changes on the wiki sometime?

[2008/09/18 12:30] Lambchop Magic: That would be helpful Elsa

[2008/09/18 12:30] Xavier Mycron is Online

[2008/09/18 12:30] Keefah Seetan: I tend to leave sundry items of clothing about or hair but so far people have given them back

[2008/09/18 12:30] Eshala Tabacznyk: that would be good - something written down for all to see and to refer back to

[2008/09/18 12:30] CC Exonar: lol

[2008/09/18 12:30] You: lol

[2008/09/18 12:30] CC Exonar: Hi Dee

[2008/09/18 12:30] Eshala Tabacznyk: Hi DD

[2008/09/18 12:30] Elsa Dickins: yes, unfortunately the opportunity for me and schomer to be inworld and in the same room came just at the height of a really busy couple of weeks for me, otherwise I would have done it straight away

[2008/09/18 12:30] Lambchop Magic: Hi DD

[2008/09/18 12:31] Scathach Rhiadra: Hi DeeDee

[2008/09/18 12:31] Kerry Mubble: hi DD

[2008/09/18 12:31] Elsa Dickins: realistically not going to be able to action anything for another week as am away most of next week

[2008/09/18 12:31] DeeDee Bookmite: Hi everyone

[2008/09/18 12:31] Aseret Quintessa: hey DD

[2008/09/18 12:31] Elsa Dickins: sorry about that, bad timing

[2008/09/18 12:31] Elsa Dickins: hey deede

[2008/09/18 12:31] Lambchop Magic: Monday nighth has been a major talking point so whenever you have time will be great

[2008/09/18 12:31] You: would you like some help from a volunteer in the group?

[2008/09/18 12:32] Elsa Dickins: always loathe to turn down help, btu I think I probably need to do that one by myself

[2008/09/18 12:32] You: ok. So I think we can say "Business as usual" for now and then some changes later in the year?

[2008/09/18 12:32] Elsa Dickins: once next week is over we can also get the sesame article sorted, if scath can be patiendt with me :)

[2008/09/18 12:32] Minnie Atlass is Online

[2008/09/18 12:32] Elsa Dickins: yes, probably fair

[2008/09/18 12:32] Scathach Rhiadra: sure, np

[2008/09/18 12:33] Elsa Dickins: and there isn't a whole lot of year left :)

[2008/09/18 12:33] You: Everyone happy with that?

[2008/09/18 12:33] Eshala Tabacznnyk: yes

[2008/09/18 12:33] Lambchop Magic: yes

[2008/09/18 12:33] Keefah Seetan: and it is galloping to an end already

[2008/09/18 12:33] CC Exonar: yeah

[2008/09/18 12:33] CC Exonar: lol

[2008/09/18 12:33] Lambchop Magic: brb

[2008/09/18 12:33] You: Cool - I think the message is about the change will benefit us all in the long term

[2008/09/18 12:33] You: none of us need worry about losing out what we have built up here

[2008/09/18 12:33] You: it's all positive

[2008/09/18 12:34] Eshala Tabacznnyk: good

[2008/09/18 12:34] You: everyone happy?

[2008/09/18 12:34] Lionel Blaisdale: Having a personal space is more likely to engender a sense social sense of belonging to a community rather than being just visitors to a sim, for whatever reason.

[2008/09/18 12:34] Kerry Mubble: yep

[2008/09/18 12:34] Elsa Dickins: yes absolutely, it's all about trying to build on the brilliant things the community is doing

[2008/09/18 12:34] Keefah Seetan: I'm a little concerened about formal and social learning being devided

[2008/09/18 12:34] Keefah Seetan: divided

[2008/09/18 12:35] You: But those that can't/don't have a personal space then feel outside the community

[2008/09/18 12:35] Keefah Seetan: I think tehy go hand in glove

[2008/09/18 12:35] Elsa Dickins: Lionel we have to create a model that is scalable, and personal space for 200000 students is not practical!

[2008/09/18 12:35] Eshala Tabacznnyk: I think thats a good point Becka

[2008/09/18 12:35] You: I no longer have a personal space and I feel just as engaged as I did before

[2008/09/18 12:35] You: It's about creating what you want and sharing those ideas

[2008/09/18 12:35] Elsa Dickins: there is a division between the learning community that is to do with being a registered OU student, and the learning community on schome, which is open to everyone Keefah

[2008/09/18 12:36] Eshala Tabacznnyk: I dont feel any less of a community member just because I dont have an apartment

[2008/09/18 12:36] Keefah Seetan: yes I see that Elsa

[2008/09/18 12:36] Kickaha Wolfenhaut is Offline

 [2008/09/18 12:37] You: (My new age stuff)
 [2008/09/18 12:37] Keefah Seetan: I suppose I would rather like SL to be a bit more like FC where teh social and teh formal co-exist
 [2008/09/18 12:37] You: Burp - Oh yeah
 [2008/09/18 12:37] Eshala Tabacznyk: lmao
 [2008/09/18 12:37] Elsa Dickins: FC is restricted to OU staf and students only
 [2008/09/18 12:37] CC Exonar: rofl
 [2008/09/18 12:37] Keefah Seetan: yes
 [2008/09/18 12:37] Lionel Blaisdale: I do not have a personal space and I can tell you 100% that I do not feel outside the community, just the opposite, I gain from the sense of community which is engendered from those with personal spaces. I hope that I have explained that well enough.
 [2008/09/18 12:37] You: Perfectly Lionel. It's exactly what we mean
 [2008/09/18 12:38] Elsa Dickins: btw I need to take some pictures to illustrate what goes on here - anyone mind being in a photo?
